Company Bio

Conte Coffee is a small, family-owned business founded in 2001 with a global footprint and the expertise of the second-largest coffee roaster in Italy. We are dedicated to sourcing, importing, and distributing the finest coffee products from around the world at exceptional prices. With an unwavering passion for quality, **Conte Coffee** offers a wide range of products, including coffee capsules, bagged coffees, brick packs, and premium hot chocolates. Our established distribution network spans the United States, Canada, Europe, and Australia, ensuring timely delivery and superior customer satisfaction. **Conte Coffee** combines the personalized service of a small business with the advanced capabilities of a global leader in coffee roasting and production.

Core Products

★ **Bagged Coffee**

- Whole bean and ground (available in 2 kg, 1 kg, 12 oz, 10 oz, and 4 oz packages).

★ **Coffee Capsules**

- Nespresso Original Line capsules (sleeves and boxed).
- K-Cups (12-count).

★ **European-Style Hot Chocolate**

- Packets and tins for premium-quality hot chocolate.

★ **Milk Powder**

- Fully agglomerated 2 lb milk powder for vending machines.

★ **Espresso**

- Authentic Italian espresso in kilo bags and 250-gram brick packs for Moka pots.

★ **ESE Paper Pods**

- Convenient, eco-friendly coffee pods.

Differentiators

- ✓ **Global Warehousing and Distribution:** Strategically located facilities in the US, Canada, Europe, and Australia ensure fast, reliable delivery.
- ✓ **Massive Production Capacity:** Ability to roast up to 15 tons of coffee per hour.
- ✓ **Research and Development Expertise:** Innovative R&D team capable of creating custom coffee, chocolate, or milk powder products tailored to specific needs.
- ✓ **Private Labeling and Branding Specialization:** Expertise in both private-label and branded products for a personalized market presence.
- ✓ **Product Inventory Management:** Comprehensive inventory of all coffee, chocolate, and milk powder products for consistent supply chain fulfillment.
