Company Overview

Founded in 1995 in Maryland, **CQI Associates, LLC** is a premier energy and sustainability management consulting firm dedicated to helping organizations optimize energy consumption and enhance sustainability practices. Under the leadership of founder and COO Richard Anderson and President & CEO Melissa Anderson, who joined the company in 2000, **CQI Associates** has established itself as a trusted partner for agencies looking to achieve energy efficiency.

Our team of experts offers a comprehensive suite of Energy and Sustainability Management Consulting Services tailored to meet the unique needs of our clients. At **CQI Associates**, our mission is clear: to empower our clients to maximize energy efficiency while promoting sustainable practices that contribute to a healthier planet. With a commitment to excellence and a passion for sustainability, we are proud to be at the forefront of energy management consulting.

Core Competencies

- Energy Management Assessments & Audits
- Renewable Energy Feasibility Studies
- Energy & Sustainability Project Planning & Implementation Support
- Energy Procurement Services
- LEED Certifications

Differentiators

Comprehensive Breadth of Services: We offer a wide range of energy and sustainability management consulting services, ensuring that we can meet diverse client needs effectively.

Supplier Agnostic: CQI Associates is not tied to any specific suppliers, allowing us to provide unbiased recommendations and help clients procure the best products for their energy and sustainability implementation needs.

Proven Industry Expertise: With nearly three decades of experience, our knowledgeable team brings a wealth of expertise in energy efficiency and sustainability practices to every project.

Commitment to Sustainability: We are dedicated to promoting sustainable practices that not only enhance energy efficiency but also contribute to a healthier environment.
