COMPANY BIO

Established in July 1996 in Murphysboro, Illinois, **ICSS Construction** is a renowned leader in the installation of material handling systems throughout North America. **ICSS** Specializes in the sales and installation of steel mezzanines, support structures, work platforms, various types of conveyor systems, racking, shelving, and the automation of industrial laundry systems. Recognizing the growing need for integrated systems, 1Source Material Handling was established in 2006 by long-time **ICSS** employee, Cameron Donahue. This strategic expansion has allowed **ICSS** to broaden its services and provide tailored, turn-key automated solutions to the material handling, garment and apparel, and industrial laundry industries. With experience spanning over 25 years, **ICSS** has earned a reputation of excellence, professionalism, quality, and safety delivering cutting-edge systems that meet the unique requirements of our clients.

CORE COMPETENCIES

- ★ Industrial laundry equipment, dry cleaning equipment, and uniform laundering services.
- ★ **Material Handling Systems:** monorail, overhead cranes/hoists, and aircraft maintenance platforms & dollies.
- ★ **Warehouse Solutions:** mezzanines, work platforms, customized storage solutions, pallet racking, cantilever racking, guardrail, and fall protection.
- ★ **Prefabricated Structures:** modular offices, guard shacks, and clean rooms.
- ★ **Conveyors:** overhead, roller, belt. Automated power, and gravity. Distribution, laundry, material transfers, and sortation.
- ★ **Tailored eCommerce Solutions:** Designed to meet the unique needs of maintenance, and information technology departments. Fully customizable platform offering a seamless online shopping experience.
- ★ Designing, developing, and managing computer systems & software. Along with the wholesale of computer hardware, and software.

DIFFERENTIATORS

- ✓ **25+ Years of Industry Experience:** Decades of expertise in delivering innovative material handling solutions.
- ✓ **Exemplary Industry Reputation:** Trusted by clients and partners for reliability and excellence.
- ✓ **Strong Manufacturer Relationships:** Established connections with leading manufacturers for quality assurance and competitive offerings.
