

Plumbing HVAC Industrial VAC

COMPANY BIO

JPG Plumbing and Mechanical, Inc (JPG) provides commercial, industrial, and institutional HVAC, plumbing, industrial vacuum, and predictive maintenance services. Established in 2006, **JPG** has grown to employ over 100 professionals who deliver prompt, professional solutions to sophisticated clients in the Washington, DC metropolitan area. Specializing in emergency response, **JPG** ensures rapid mobilization and efficient resolution through strategic vendor and subcontractor partnerships.

CORE COMPETENCIES

- **Commercial HVAC** – Preventative maintenance, repair, retrofit, and new installation for boilers and chillers.
- **Commercial Plumbing** – Maintenance, repair, retrofit, and new installations, including emergency water main repairs and medical gas piping.
- **Industrial Vacuum Services** – Tank pumping, pit cleaning, stormwater system maintenance, and robotic camera inspections.
- **Energy & Sustainability Services** – BEPS benchmarking, retro-commissioning, utility rebate programs, and Energy Star certification support.

DIFFERENTIATORS

- ✓ Comprehensive “One Stop Shop” solutions with predictive maintenance for complex projects.
- ✓ Advanced plumbing services, including emergency repairs, medical gas piping, and hydro-jetting.
- ✓ Expertise in HVAC maintenance, upgrades, and airside system solutions.
- ✓ Industrial vacuum services, including NASSCO-certified robotic camera inspections and MS4 compliance.
- ✓ Strong safety culture with OSHA 30 training, bi-weekly Toolbox Talks, and a dedicated Safety Leadership Team.
