COMPANY BIO

Founded in 1998, in High Point, NC, **Packaging Service Solutions** is a third-party logistics (3PL) provider. With decades of industry experience, **PSS** specializes in providing comprehensive logistics solutions to optimize supply chain efficiency. Our service offerings include packaging design and supply, kitting, assembly, fabrication, order fulfillment, inventory management, warehousing, cross-docking, hazmat shipping, freight optimization, and quality control.

PSS is committed to delivering exceptional value to our customers through tailored, cost-effective logistics services that enhance operational workflows and meet stringent regulatory compliance. Our expertise ensures a seamless, high-quality service that meets the needs of government contracts while maintaining the highest industry standards.
