## COMPANY OVERVIEW

**Right On Bracket** is a leading provider of high-quality, American-made support brackets for shelving, countertops, and other structural applications. Our heavy-duty brackets are designed to withstand high weight capacities, ensuring long-term stability and reliability. Popular products include granite overhang support brackets, floating shelf brackets, standard right-angle brackets, and a variety of specialty designs. Committed to excellence, **Right On Bracket** offers competitive pricing, fast production times, and exceptional customer service. Every product is proudly designed and manufactured in the USA, guaranteeing superior craftsmanship for both residential and commercial projects.
