

Company Bio

Valley Plating is a family-owned plating and anodizing business in Rock Valley, Iowa. Founded in 2011 by brothers Mike and Steve Vonk, the company provides high-quality finishing services to local manufacturers. Initially operating with one zinc line in a newly built facility, **Valley Plating** has expanded to a 31,000 sq. ft. operation with five advanced finishing lines. The company serves a diverse range of industries, maintaining a strong reputation for quality and service.

Core Competencies

- ★ Zinc Plating – Clear, Yellow, and Black Chromate (Rack & Barrel)
- ★ Aluminum Anodizing – Type II (Clear, Yellow, Black) and Type III
- ★ Black Oxide Finishing
- ★ Hydrogen Embrittlement Relief Process
- ★ Torque Tension Modifier Application

Differentiators

- ✓ **Quality-Driven**
Commitment to high-quality finishing with strict process controls.
- ✓ **On-Time Delivery**
Reliable turnaround times to meet customer deadlines.
- ✓ **Customer-Focused**
Strong customer service with a Midwest work ethic.
- ✓ **ISO Certified**
Compliance with industry standards for consistent quality.
- ✓ **Proven Reputation**
Trusted by multiple companies for exceptional finishing.
- ✓ **Continuous Growth**
Expanded from one to five lines, increasing service capabilities.
