

## Rescorp Commercial Roofing

### Company Bio

**Rescorp Roofing** is a commercial roofing company specializing in cost-effective, high-quality roofing solutions. Founded in 2015 in Macon, GA, we provide expert roofing services with a focus on durability, energy efficiency, and long-term value. Our ability to assess project needs and implement tailored solutions ensures the highest level of performance and client satisfaction.

### Core Competencies

- ➔ **Effective Project Management** – Comprehensive oversight ensuring projects are completed on time and within budget.
- ➔ **Energy-Efficient Roofing Solutions** – Installation and maintenance of reflective coatings, cool roofs, and sustainable materials to reduce energy consumption.
- ➔ **Roof Installation & Replacement** – Expertise in commercial and industrial flat roofing, metal roofing, and other specialized materials.
- ➔ **Preventative Maintenance & Repairs** – Extending the lifespan of existing roofing systems through proactive maintenance and repair strategies.
- ➔ **Storm & Weather Damage Restoration** – Rapid response to restore and reinforce roofs after extreme weather conditions.

### Differentiators

- ★ **Personalized Customer Service & Support**  
Tailored solutions that prioritize client needs and long-term relationships.
- ★ **Highly Skilled Team Members**  
Experienced professionals trained in the latest industry techniques and technologies.
- ★ **Industry Certifications & Qualifications**  
Compliance with industry standards, ensuring high-quality and code-compliant installations.
- ★ **Proven History of Successful Projects**  
A track record of delivering durable, high-performance roofing systems for various commercial applications.
- ★ **Fast & Reliable Turnaround Times**  
Efficient project execution without compromising on quality, ensuring minimal disruption to client operations.
