## COMPANY BIO

-  Founded in 1979, Vereen Tree Service LLC is a trusted provider of professional tree care and land management services. With decades of experience, we specialize in safe and efficient tree removal, stump grinding, and land clearing. Our team is committed to quality workmanship, safety, and customer satisfaction, ensuring each project is completed with precision and reliability.

## CORE COMPETENCIES

-  **Tree Removal & Stump Grinding**  
Safe and efficient removal of hazardous trees and stumps to prevent property damage and improve site conditions.
-  **Land Clearing & Debris Hauling**  
Clearing overgrown areas, removing fallen trees, and hauling debris for site preparation and maintenance.
-  **Emergency Storm Response**  
Rapid response services for fallen trees and storm-related damage to restore safety and accessibility.
-  **Demolition & Site Preparation**  
Clearing and preparing land for new construction or infrastructure projects with minimal environmental impact.
-  **Vegetation Management**  
Routine trimming, pruning, and maintenance services to promote tree health and prevent overgrowth hazards.

## DIFFERENTIATORS

-  No payment is required until the job is completed and the customer is fully satisfied, though a percentage may be due upfront based on the scope of work performed.
-  Over 40 years of experience in tree care and land management.
-  Commitment to safety standards, using industry best practices and state-of-the-art equipment.
-  Licensed and insured, ensuring compliance with all regulatory requirements.
-  Experienced in working with government agencies, municipalities, and private sector clients.
