COMPANY BIO

Founded in 2024, **Veteran Forged Solutions, LLC (VFS)** is a certified **SDVOSB** and **VOSB** headquartered in West Chester, PA. Led by **USAF Veteran Stephen McKenna**, who brings 20+ years of leadership and hands-on experience in commercial construction, renovations, and facility services. VFS specializes in General Construction, Facility Maintenance, and Specialty Steam Cleaning.

Positioned to serve government and private sector clients, we ensure regulatory compliance, safety adherence, and high-quality craftsmanship in every project.

CORE COMPETENCIES

- ★ **General Construction**
Renovations & Fit-Outs – Interior and exterior modifications, tenant improvements, and structural updates
- ★ **Facility Maintenance & Repair**
Preventive Maintenance, emergency repairs, and operational support
- ★ **Painting & Exterior Services**
Power washing, sealant repair, protective coatings, and finishing
- ★ **Specialty Steam Cleaning**
High-temperature steam cleaning for critical environments and expertise in data center cleaning solutions

DIFFERENTIATORS

- ✓ **Veteran-Owned Leadership**
20+ years of experience across military, federal, and private sector operations.
- ✓ **Experience in Managing and Executing Contracts**
Projects prior to the company's formation, demonstrating our expertise in commercial ground-up construction, facility development, and project management.
- ✓ **Technical & Hands-On Expertise**
A unique combination of boots-on-the-ground trade skills and an Executive MBA from Villanova University, ensuring both strategic leadership and operational excellence.
- ✓ **Rapid & Reliable Execution**
Agile, adaptable, detail-driven, with the ability to mobilize quickly and scale efficiently for government projects.
- ✓ **Versatile Services**
A unique blend of construction, specialty cleaning, and digital marketing capabilities.
