COMPANY BIO

Since 1925, **Zeskind's Hardware & Millwork** has been a trusted fourth-generation, family-owned manufacturer and supplier of premium millwork products throughout the Mid-Atlantic region and nationwide. Specializing in residential, light commercial, multi-family, and mixed-use projects, **Zeskind's Hardware & Millwork** provides expertly crafted windows, interior and exterior doors, fine hardware, cabinetry, and custom trim. With a legacy built on quality, integrity, and unmatched customer service, the company combines traditional craftsmanship with modern production capabilities to deliver durable, customized solutions that enhance both functionality and design. From historic replications to large-scale new construction, **Zeskind's Hardware & Millwork** continues to set the standard in millwork innovation and customer satisfaction.

CORE COMPETENCIES

- ★ Specification, production, and distribution of interior doors including hollow core, solid core, stile and rail, stainable wood, custom slabs, barn doors, bifold, bypass, and pair ballcatch doors
- ★ Manufacturing and distribution of windows and patio doors including historic wood, steel, aluminum, replacement, repair, and new construction applications
- ★ Manufacturing and distribution of exterior doors including entry, historic, fire rated, screen, storm, pivot, multi-slide, lift and slide, folding, and sliding doors
- ★ Manufacturing and distribution of mouldings, trim, and boards including stock, custom, and historic profiles in a wide range of species
- ★ Design and distribution of pre-built and pre-finished cabinetry with 2020 design services, floor plans, 3D drawings, and direct delivery across 48 states
- ★ Distribution of residential door, kitchen, and bath hardware with spec writing support, design services, and multi-unit access systems

DIFFERENTIATORS

- ✓ Fourth-generation, family-owned manufacturer with nearly 100 years of experience
- ✓ Specialized in pre-hung doors with precise machining, casing, and frame preparation unmatched in the U.S. market
- ✓ Custom wood shop capabilities for duplicating historic windows, doors, and trim for preservation and restoration projects
- ✓ Expert staff trained across all areas of millwork, windows, doors, cabinetry, and hardware
- ✓ In-house delivery capabilities for reliable, on-time distribution nationwide
- ✓ Proven history of customer satisfaction supported by quick lead times, high-quality products, and dependable service in complex project environments
