JBK INDUSTRIES

COMPANY BIO

Founded in 2020 by Jeff Klunke, a U.S. Marine Corps Veteran, **JBK Industries** was created to deliver innovative medical technologies, equipment, and supplies to the Federal Government. Built on decades of frontline medical device expertise, the company provides high-quality solutions that support clinicians, enhance patient outcomes, and meet the demanding needs of government healthcare environments.

CORE COMPETENCIES

- ★ Medical Devices
- ★ Medical Equipment
- ★ Medical Supplies
- ★ Surgical Instruments
- ★ Surgical Implants
- ★ Durable Medical Equipment (DME)
- ★ Clinical Apparel, Protective Clothing & Footwear

DIFFERENTIATORS

Jeff Klunke brings over 24 years of experience supplying, training, and supporting medical devices and equipment for hospitals, surgery centers, and physicians nationwide.

His background includes:

- ★ In-person clinical support inside operating rooms
- ★ Hands-on patient and provider assistance
- ★ Training medical staff on the safe and effective use of devices
- ★ Deep familiarity with hospital workflows, supply chain needs, and clinical requirements

This unique combination of product knowledge, surgical environment experience, and veteran discipline ensures JBK delivers trusted, high-performing solutions to its government partners.
